Nominal Fees for Referred Services: Plain Film Radiology = According to Referral Provider Discounted Fee Schedule; OBGYN Care = According to Referral Provider Discounted Fee Schedule.

Income includes: earnings, unemployment compensation, worker's compensation, Social Security, Supplemental Security Income, public assistance, veteran's payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trusts, educational assistance, alimony, child support, assistance from outside the household, and other miscellaneous sources.

** Noncash benefits (such as food stamps and housing subsidies) **do not** count.

** Calculations are before taxes.

** Excludes capital gains or losses

*** Based on 2026 Federal Poverty Guidelines. Additional household members are calculated at \$5,680 per person.

*** Copays are assigned to include primary care, infectious diseases, behavioral health services, and other clinician visits. Copays are not charged for lab visits, PPD readings, supportive services, or prevention services. Referred services charges are for Required Services provided through written agreements as well as non-required services when applicable.

*** Any patients withholding income verification will be assigned the full pay amount.
